

Membership has its rewards!

Who or What is NOWDS?

In September 2010, we updated the existing society to reflect the idea of having a parent run non-profit fundraising society to support the philosophy and programs of NOW Dance Studio. We stand for "No Opportunities Wasted Dance Society".

This is a voluntary parent society that operates separately from NOW Dance Studio Ltd.

Our goal is to raise funds to further enhance our dancers experience in both the competitive and recreational programs. As a non-profit society, funds raised are for the benefit of the members (children) of NOWDS.

Membership fees are \$10.00 per dancer, and one of the most exciting benefits are that as a member, a percentage of the funds raised (by you) from various fundraisers are credited to your dancers account, and can be used to offset various expenses and fees incurred by you during the dance season. (Program Fees & Costumes, etc)
Memberships fees can be paid at anytime and are payable by CASH OR CHEQUE to NOWDS.

The additional goal of NOWDS is to provide fundraising support for enhanced learning and development opportunities for all dancers, such as workshops, guest instructors and scholarships. Other potential projects may include the purchase of special equipment for the studio and support for dance trips. Funds will be generated through activities such as Purdy's Chocolate Sales, Epicure, Party-Lite, Bottle Drives, silent auction evenings, bingos and other events.

We welcome new ideas and suggestions.

This program is unique to us and as Dance Parents, we understand how expensive things can be. We hope you will join us!
